

CHEQUEBOOK STAPLER/BINDER

SB-2

This newly designed equipment, which allows solving in a very practical, quick and elegant way a problem until now not solved:

To staple with 2 metal stitches and bind in with a finish tape, to give a really professional appearance.

The equipment is very easy to use and does not need any maintenance, except for the substitution of label rolls (every 250 cheque- books, so very seldom) and metal stitches, only for each 2500 chequebooks.

The equipment is provided with three slots, one for the stapling and the other two for the label application covering the staples. 1 station for personal book label and one for business book label.

The equipment can **Staple & Bind** chequebooks within the range of 1 to 55 sheets + cover. It is also adjustable for cheque width from 70mm up to 102 mm (3 - 3 ½ and 4 inch, and everything between)

Technical characteristics:

-Power supply: 100-240V AC, 50-60 Hz - Size (345mm*200mm*135mm) - weight: 5,5 kg
